

The **final presentation** will be uploaded as a YouTube video to the Austrian Economics Final Presentations YouTube channel. Each of you will create your own video. You can create this video using your smart phone, or by converting a PowerPoint into a video. The video cannot exceed 10 minutes.

To upload your final presentation video, compose a new email message to

hilrxnl5b9uy@m.youtube.com

Next, attach your video file to the email. In the subject line of your email message, type the following

FirstName LastInitial Final Austrian Econ Presentation (2015 May term)

All students are required to watch and grade **all** their classmates' videos. Give each student a score of 1 to 10 for style, for content, and for the quality of their explanations. You must use the Excel template that is available **[here](#)**. After I score the videos, I will average my scores with the average peer scores, after I have dropped the two highest and two lowest peer scores.
